

SPONSORSHIP OPPORTUNITIES 2021-2022

Every year, over 100 local kids and their families, hit the slopes every weekend to hone their skills in our club's programs. These young athletes gain more than ski racing skills. They also take with them lifelong benefits of competitiveness, fitness, sportsmanship, confidence and independence. These programs, and the club, are a community effort and could not be accomplished without dedicated support from our community sponsors. PRC is seeking sponsorships to ensure we have the ability to grow our club, maintain and purchase safety equipment, and minimize our program fees to make the programs accessible to all kids on the western slope and attract a broad spectrum of athletes and local families.

PRC is committed to providing exceptional training for our athletes while also promoting a healthy winter outdoor activity to the kids in our community. We hope you will join us by becoming a club sponsor.

Powderhorn Racing Club is a IRS registered 501 (c) 3 non-profit organization. Gifts of all sizes make a huge impact on our club and provide resources to our young athletes
